LAWN & GARDEN

**Husqvarna keeps
the design simple
to keep
the service simple.**

That isn't always the
way. Some chainsaws are de-
signed to be replaced not
rebuilt.

But with Husqvarna
chain saws, 90% of all re-
pairs and maintenance can
be done without splitting the
case. And with the Husqvarna
system, there's a high de-
gree of parts interchange-
ability—so we can keep all
the parts on hand you'll ever
need.

Most important to you,
because servicing your
Husqvarna is kept so simple
—over the long haul, Hus-
qvarna may well be the most
economical chainsaw you can
buy.
