

Goat shows on June 19-21

REEDSVILLE — A Big Weekend of Competition is planned by the Pennsylvania Dairy Goat Association June 19-21 at the Reedsville Youth Park, located on Rt. 322 between Lewistown and Centre Hall.

The program of activities has been expanded for this year's competition to include a Buck and Junior Doe Show, an American Dairy Goat Association Official Milking Competition, and a Pennsylvania Dairy Goat

Association Prince or Princess Contest, in addition to the Open Doe Show.

The schedule of events for the weekend, according to Denise Rowan, R3 Kutztown, show chairman, includes:

All goats entered in the one-day milking test must be on the fair grounds by 7 p.m. on Friday, June

19. Activities on Saturday, June 20, open at 7 a.m. with a milkout of only the goats entered in the one-day test. Youth showmanship and fitting follows at 8:30 a.m. The Buck Show begins at 9:30 a.m., to be immediately followed by the Junior Doe Show.

The spring meeting of the PDGA is planned at 3 p.m. and the banquet at 5 p.m.

The second milkout of the goats in the one-day test is scheduled at 7 p.m.

The PDGA Prince or Princess

Contest will begin at 8 p.m.

All milkers must be in place by 10 p.m. on Saturday, June 20, for a pre-show milkout.

The Open Doe Show begins at 8:30 a.m. on Sunday, June 21.

Show competition is sanctioned by the ADGA for Alpine, LaMancha, Nubian, Saanen, Toggenburg breeds and recorded grades.

The youth showmanship and fitting contests will have separate categories for 8 through 13 and 14-19, with a trophy for the champion showman and champion fitter.

FARM LOANS? We Take Care Of The Hands That Feed Us!...

Family farmers!!! Do you want a lender with agricultural experience who will visit your farm to save your valuable time and who understands your particular problems and needs? Brownstown Agri Loan Corp is just right for you. BIG BONUS BEANS

NEW AGRIPRO™ AP-350

Tests prove it outyields Williams and Mitchell.

AP-350 is a welcome addition to Group IV maturity. It combines overall yield performance superiority with an excellent chlorosis rating plus resistance to race I Phytophthora root rot and tolerance to other tested races. Plus good emergence, too. Look at the yield data on this bean. For its maturity, it would be difficult to find a better bean.

NEW AGRIPRO™ AP-250

Bred to outyield Amsoy 71, Beeson and Woodworth.

AP-250 is ideal for the Amsoy 71-Beeson-Woodworth maturity zone. And in five years of yield trials it has consistently outyielded these popular varieties.

But in addition to big yields, AP-250 gives you good emergence, tolerance to tested races of Phytophthora root rot and good resistance to lodging.

AGRIPRO 25

- Early Group III pureline
- Good emergence. Excellent standability.
- Resistance to Race 1 extreme tolerance to Race 3 Phytophthora.

WIC MOTORIZED SILAGE WAGON WITH HYDROSTATIC SPEED CONTROL

★ Regular Feed Discharge or 40" High Feed Discharge

★ Electric or Gas Operated

The NEW Hydra-static speed control gives you a choice of speeds from slow to fast. With a touch of the pedal the wagon moves forward or backward, release the pedal and it automatically brakes. You also have a regular feed discharge or a 40-inch high discharge from one or two sides. The WIC Silage Wagon is operated by gas or electric and available in 30-, 45- or 52-bushel sizes. With the 16-inch wheels it goes wherever you want to take it.

A GREAT IMPROVEMENT ON EFFICIENCY

No Competitor Can Beat The Wic Choppers For Performance And Cost

ELECTRIC BEDDING CHOPPER
Wic also makes an electric 200 volt a.c. chopper or a 24 volt d.c. battery operated chopper including an automatic charger. These two models are equipped in the factory with a manual starter panel and are protected by fuses to diminish risk of accidents. Very quiet these bedding choppers are mostly used on small or medium sized farm. As well as being mobile the 220 volt a.c. model can be installed stationary. Motor 220 volt a.c. 3 h.p. 24 volt d.c. 21/2 h.p.

GAS BEDDING CHOPPER
The gas powered bedding chopper is the most popular on the market. Its operation is simple and it handles easily. Equipped with a Honda 4 stroke gas engine the Wic bedding chopper insures maximum output while in use. Motor 5.7 or 10 h.p. 4 stroke Honda. Starter 5 h.p. manual and 7 and 10 h.p. manual or electric start.

POWER TAKE OFF BEDDING CHOPPER

Wic has perfected a three point hitch PTO chopper activated by the power of your tractor. Easy to install, it is ideal for free-stalls, or in strawberry fields for mulching purposes.
