YOU SHOULD CONSIDER HEDGING HOGS NOW...

With the down hog market causing all kinds of losses for farmers, you can no longer afford to take all the risks yourself. That's why you should consider hedging your hogs whenever the futures market pushes up to levels that lock-in good selling prices for you.

To help you to plan to take advantage of the market up-swings, Trade Tech Management has a phone number you may call anytime from 9 a.m. to 3 p.m. daily, Monday through Friday to check the market price. And when your market is high enough, you should consider hedging your hogs. Now!

Contact Trade Tech Management, Inc., 1020 Stony Battery Road, Lancaster, PA 17602 Market reporting phone (717) 898-0130.

PS: You can sometimes buy corn at a low price too.
