Build your next building using dependable wood LAMINATED RAFTERS AND ROOF TRUSSES-and save time on your job by fast and easy erection

PROMPT CELIVERILS ON SITE URANE SERVICE

Call for Information **On Your Requirements**

Today, wherever modernization with Free Stall Housing provides a very satisfactory day-to-day operation, Rigidply Laminated Rafters are the preferred choice. They provide much more space for the money plus fast, economical erection. Proper ventilation is provided without fans, preventing condensation and helping reduce odors. Sunlight and ventilation combine to provide a desirable working environment, heat and light for winter months and a healthy place for animals.

Tanks all bear Underwriters' Label, and are coated with black asphaltum paint. We can provide timely delivery from Quarryville, PA (15 miles from the Pennsylvania Maryland line) to Maryland, Delaware, Virginia, New Jersey & New York. Contact us for delivery costs. We invite inquiries by phone or mail.
