- COME SEE OUR GREAT LINE UP OF TWINE ROTOR COMBINES - SECOND GENERATION MODELS FROM THE COMPANY THAT STARTED IT ALL!

Heads above the rest.

**Cleaner Sample
Less Grain Loss
Less Grain Damage**

Exclusive.

See the completely new line of Sperry New Holland corn heads, flexible cutterbar soybean headers and rigid grain heads. Complete range of sizes to fit your operation. Capacity to match the three models of Twin Rotor™ combines. Come on in for all the details. And like all Sperry New Holland machines, Twin Rotor combines are backed by a parts and service system that's second to none.

There's nothing like a Twin Rotor™ combine from Sperry New Holland. For good reason. The dual-rotor threshing is patented so others can't duplicate it. Come in soon and let us tell you about this exciting advance in combining. There are three models to choose from. And be sure to ask us about the completely new line of Sperry New Holland corn heads, flexible cutterbar soybean headers and rigid cutterbar grain heads.

Pacesetter.

Here's the pacesetter for today's modern combines. It's the TR™ 95 Twin Rotor™ combine from Sperry New Holland. It features a 55-inch feeder, 240-bushel grain tank, and a powerful, turbocharged 636-cubic-inch Caterpillar Diesel engine. Teamed with one of the completely new headers from Sperry New Holland, the TR 95 will put you way ahead of the rest. Come in today for the details. Better yet, call us for a demonstration.
