

# 4-H offers summer program for youth

NORRISTOWN — A new 4-H program called "4-H Action Program" will be offered for Conshohocken youth ages 8-14 at the Marywood Park in Conshohocken from June 30-August 11.

The main goal of the program is to involve youngsters in a project of their choice that will improve their neighborhood community, as well as themselves. In addition to doing a community service project, youth will have the opportunity to do crafts, recreation and other activities in a club setting.

Youth who enroll will be considered bonafide 4-H members, eligible to receive a 4-H membership card and to participate in a variety of other Montgomery

County 4-H activities such as 4-H Camp and the 4-H Fair. Upon completion of the program, youth will receive 4-H Achievement certificate and merit ribbon.

The program, conducted by the Montgomery County Extension Service and Penn State University, will be taught by Janet Weymouth, 4-H Summer Assistant and a student at Kutztown State College.

Adults are especially invited to assist Janet with the program and may volunteer by calling her or Helaine Brown, 4-H Agent, at 277-0574.

Registration for the 4-H/CD program is required and a fee of \$1.25 per person for materials for the entire six-week program will be collected at the first session.
