

# National sewing winners announced

NEW YORK CITY — Top winners in the country's largest sewing contest, sponsored by the National Grange, were announced

in New York city this week. National judging was held at the New York headquarters of the Simplicity Pattern Co., a co-

sponsor of the contest.

Mrs. Mary Buffington, Director of Women's Activities for, the

National Grange, revealed the names of the first place winners in each of the four divisions in the contest. Winners are in class A, adults, Mrs. Shirley Fomby, Mundelein, Ill.; class B, teens, Kathleen Yappel, Northfield Center, Ohio; class C, children's, Mrs. Irene Kay Hartung, Bangor, Pa.; and class D, boys and girls, Tammy Crowell, Anderson, California.

Irene Hartung won in class C with a dress she made for her 14-month-old daughter, DeeAnn. It is a red and white print with a smocked yoke, ruffled underskirt and matching bonnet and shoulder bag.

The first place winners in class A, B and C receive a trip to the National Grange convention in November in Spokane, Washington, where one will be chosen Best of Show and receive

\$1,000 from the National Grange.

All first place national winners receive a Singer sewing machine plus U.S. Savings Bonds and merchandise from Dritz/Scovill Sewing Notions and La Mode or Le Chic Buttons, co-sponsors of the contest.

Simplicity Patterns also awards a \$500 scholarship to the first place winner in class B. First place winner in class D receives a television set. Second and third place national winners are also eligible to receive cash and merchandise awards from co-sponsors of the contest.

Over 41,000 garments were entered in this year's contest. The competition is open to both members and non-members of the Grange. Local, county and state judging is held in May. Only first place state winners in each class are judged on the national level.

## State Grange holds leadership conference

HUNTINGDON—More than 300 Pennsylvania Grangers attended the State Grange's Annual Leadership School here at Juniata College on June 23-25.

The purpose for the three-day conference was to train officers, youth and committeemen in effective leadership. Members participated in a variety of educational workshops ranging from public speaking to local Grange leadership. Many of the

classes were conducted by guest lecturers in professional fields.

The highlight of the conference was a Leadership Banquet served at the college on last Wednesday. Karl K. Kettering, known for his inspirational talks to businesses, organizations and major league baseball teams, was the key speaker. He talked on, "Six Steps Up," a dynamic presentation on motivation and positive thinking. Kettering also gave six one-hour

lectures on public speaking earlier in the day.

Awards were presented at the banquet to winners in the State Grange Sewing Contest, announced earlier. State Grange also honored Middleburg High School's (Snyder County) winning team in the Grange-sponsored Future Farmers of America Chapter Parliamentary Procedure Contest.

"This year's Leadership Conference was one of the best that the State Grange has ever had," commented State Master Charles E. Wismer, Jr. "We had a good group of workshop directors, a large turnout, and good feelings about future leadership in the Grange."

## Jr. Hereford Association

### field day planned

CLARENCE, N.Y. — Scotchwater Farm, Clarence, N.Y., will host the New York Junior Hereford Association field day July 17-18.

Activities will begin on July 17 at 6 p.m. with a spotlight on performance junior steer and heifer show. A junior and senior showmanship contest also will be conducted.

On July 18, festivities will begin at 9 a.m. with a junior cattle grading and judging program.

Chip Carrier, American Hereford Association eastern field representative, will talk about the challenges facing AHA's second century. LeAnn Simon, American Junior Hereford Association

treasurer from Tolstoy, S.D., will enlighten visitors with comments on the roles of juniors.

Two junior workshops are planned. These include fitting and showing demonstrations and preventive measures for pinkeye.

Bruce Tillapaugh, Erie County Extension Specialist, will conduct a hay and forage management seminar, including forage analysis and hay stacking demonstrations.

Peter K. Jackson, Scotchwater Farm manager, and the NYJHA invite the general public to attend this educational and entertaining program of interest for registered and commercial producers. The event will be staged at 7039 Salt Road, Clarence, N.Y.

# Beat the Heat with Eggs

## Fulton Grange 66

QUARRYVILLE — Fulton Grange No. 66 hosted the Lancaster County Pomona Grange visitation meeting June 22.

Fulton's lecturer, Mrs. Jesse Wood, welcomed visitors and presented part of the program on the theme "Occupations From Yesterday To The Future." Participants wore clothes that they would wear in their occupations.

Peggy Galbreath, a legal secretary for Armstrong World Industries, Inc., gave an interesting talk about her work for the past eight years.

Mrs. Charles Browning, a local self-employed beautician, told about her work, comparing techniques used when she first was in business and those used now, stating that a beautician must keep abreast with new hair styles and what the people want.

Mrs. Richard Maule, lecturer of Colerain Grange, conducted an audience participation game "Know Your Occupations" in which she named an implement and the answers told what occupation used it. Mrs. Jesse Wood led the group in singing "I've Been Working On The Railroad."

Dr. William Fredd gave an interesting talk on the subject "Outlook For Agriculture and The Family Farm." He touched on organic farming and compared production achieved with modern technology and machinery with the more traditional methods using graphs to illustrate.

The following contributed to an interesting exhibit of antique tools and implements and told what each thing was used for: Richard Maule, Harry Baker, Charles Browning and Mrs. Richard Edwards. The exhibit consisted of a bag holder, a hand-made shovel, hay knife, cherry seeder, honeysuckle and dogwood cane, a plow, hay fork, double trees, sheaf sickle, husking pegs, hand-made corn cutter, hay knives, grain cradle, straw rake, a double hay harpoon, broad axe, single bit axe and a mushroom knife.

Mrs. Jesse Wood concluded the program, giving a reading "A Farmer's Prayer."

Thomas C. Galbreath, Master, conducted the business meeting. The secretary announced that the 115th annual session of the National Grange will be held in Spokane, Washington, in November.

The Master reported that 30 people attended the volleyball party at the home of Mr. and Mrs. Edward L. Zug. In other business a donation was given to a Grange who lost their hall by fire.

The lecturer announced that the Women's Activities committee will be in charge of the program at the next meeting, July 13, when a member of the State Grange Women's Activities committee will speak. The annual picnic will be held July 27 on the Grange Hall grounds.

# WIC MOTORIZED SILAGE WAGON WITH HYDROSTATIC SPEED CONTROL

A GREAT IMPROVEMENT ON EFFICIENCY

The NEW Hydra-static speed control gives you a choice of speeds from slow to fast. With a touch of the pedal the wagon moves forward or backward; release the pedal and it automatically brakes. You also have a regular feed discharge or a 40-inch high discharge from one or two sides. The WIC Silage Wagon is operated by gas or electric and available in 30-, 45- or 52-bushel sizes. With the 16-inch wheels it goes wherever you want to take it.

★ Electric or Gas Operated

A GREAT IMPROVEMENT ON EFFICIENCY

★ Regular Feed Discharge or 40" High Feed Discharge

No Competitor Can Beat The Wic Choppers For Performance And Cost

**ELECTRIC BEDDING CHOPPER**  
Wic also makes an electric 200 volt a.c. chopper or a 24 volt d.c. battery operated chopper including an automatic charger. These two models are equipped in the factory with a manual starter panel and are protected by fuses to diminish risk of accidents.  
Very quiet these bedding choppers are mostly used on small or medium sized farm. As well as being mobile the 220 volt a.c. model can be installed stationary. Motor 220 volt a.c. 3 h.p. 24 volt d.c. 2 1/2 h.p.

**GAS BEDDING CHOPPER**  
The gas powered bedding chopper is the most popular on the market. It's operation is simple and it handles easily. Equipped with a Honda 4-stroke gas engine, the Wic bedding chopper insures maximum output while in use.  
Motor 5.7 or 10 h.p. 4 stroke Honda  
Starter 5 h.p. manual and 7 and 10 h.p. manual or electric start

**POWER TAKE OFF BEDDING CHOPPER**

Wic has perfected a three point hitch PTO chopper activated by the power of your tractor. Easy to install, it is ideal for free-stalls, or in strawberry fields for mulching purposes.
