200-bushel capacity. Gleaner dependability.

The L2 Gleaner Combine from Allis-Chalmers Built with the 200-bushel capacity and the dependability needed to get you through your harvest

Compare it with competitive combines. The unique Gleaner Combine Sure-Feed System and down-front cylinder assures high-speed harvesting. No over-threshing or under-threshing with complete control of the crop at all times

Exclusive concave door stone protection protects the cylinder from damaging rocks and foreign objects

Plus, its 2-stage threshing, 3-stage separation and 2-stage cleaning mean gentle grain handling for high harvesting efficiency

Compare threshing, separation, cleaning, capacity, feature-for-feature. Now you can get the better designed features and standard equipment of a Gleaner Combine you've always wanted. With the dependability you can count on

Gleaner Combines from Allis-Chalmers are better by design. Gleaner is an Allis-Chalmers trademark
