PURINA TEST COW COMPLETE MILKING RATION

Balanced, high-nutrient levels for maximum milk production.

Purina research has found a way to provide high-energy levels without sacrificing other essential nutrients.

It comes from an in-depth knowledge of what your cows need. And tough quality control standards that demand top-quality ingredients.

As an added bonus, your cows develop and keep good body condition. You should see fewer health problems. And, strong cows keep milking at top potential, year after year.
