

Hort Assoc. contributes to Ag Arena

Presenting \$3,500 gift to John Oswald, left, president of Penn State, for the Ag Arena Building Fund is George Goodling, of Loganville, executive secretary of the State Horticultural Association of Pennsylvania. The organization has pledged \$10,500 to the fund to be paid over a three-year period. With the two are Quentin Wood, right, president of Quaker State Oil Refining Corporation and member of the University board of trustees; and Paul Harner, of R1, State College, second from left, a member of the ag arena committee. The 190,000-square-foot facility, to be constructed on the University Park Campus, will be used for classroom instruction, College of Agriculture shows and events, and 4-H and FFA activities.
