Many items in this ad carry a reference retail price. This reference is intended to provide a guide to the range of retail selling prices in our selling area and may be useful in identifying different units of the same manufacturer. An item's reference retail price is either the manufacturer's suggested retail price or our determination of its full retail price based on prices at which it or similar merchandise is offered by principal retailers (department stores, specialty shops and other non-discount sellers) in our selling area. While we believe our reference retail price does not appreciably exceed the highest retail prices at which sales are made in our selling area, we cannot assure you that our reference retail prices as described above represent the prices in every community on any given day. Some items in this ad are listed as regular selling price. The merchandise is offered at this price except during a special sale. The purpose of showing a reference retail price (or a regular price) is to assist you, our customer, in making a knowledgeable and better informed buying decision. We suggest that you also do comparison shopping.
