### HEAVY DUTY Field Sprayers

Please stop in for our Low Local Prices  
**SPRAYERS LESS PUMPS 300 Gallon Model**

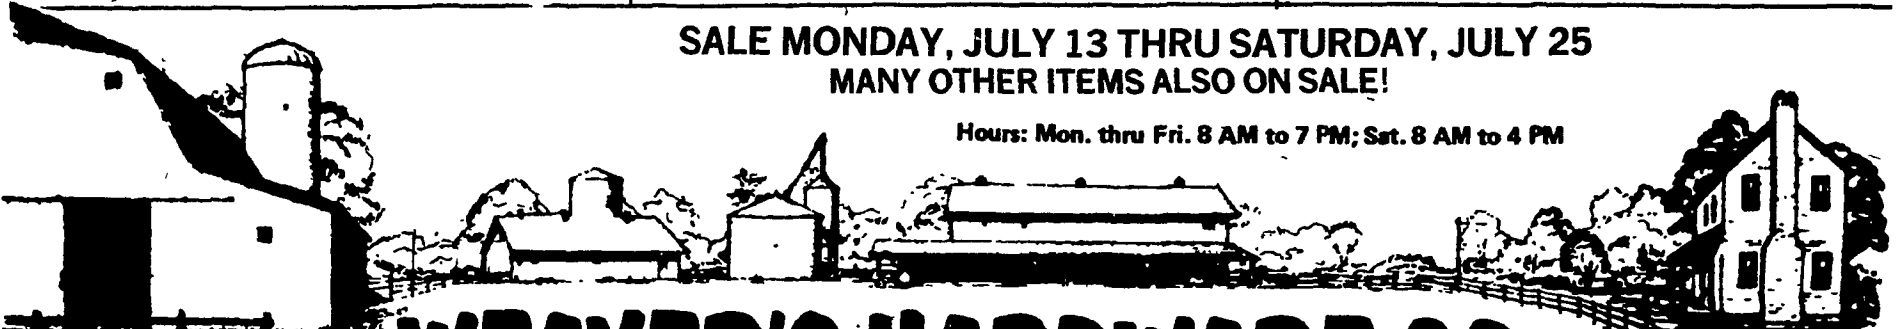

This big 8 row, 17 nozzle sprayer will give approximately 28 ft coverage. Comes with 1/2" hose booms (standard EVA tubing), nylon fittings on booms and hoses, and high speed Timken bearings and 15" rims (less tires). The heavy-duty trailer axle has tread row width easily adjustable from 51" to 88". The variable nozzle spacing gives you a 40" row width down to any row width desired plus complete visibility. 20 GPA tips standard, other tips available. The short cylinder tanks allow more usable gallonage on side hill work without running dry-result is much increased pump life. Quality pressure regulator accurately controls spraying pressures. 16511-100
