

DEMAND THE BEST SPERRY NEW HOLLAND TWIN ROTOR™ COMBINES

Demand the Twin Rotor™ combine from Sperry New Holland. And demand the kind of parts and service back-up we give you. Come on in and let us tell you why the Twin Rotor combine is fast gaining a reputation for clean grain samples with less grain damage and lower grain losses. There are three models to choose from and a completely new line of corn heads, flexible cutterbar bean headers and rigid cutterbar grain heads.

There's nothing like a Twin Rotor™ combine from Sperry New Holland. For good reason. The dual-rotor threshing is patented so others can't duplicate it. Come in soon and let us tell you about this exciting advance in combining. There are three models to choose from. And be sure to ask us about the completely new line of Sperry New Holland corn heads, flexible cutterbar soybean headers and rigid cutterbar grain heads.
