SPERRY NEW HOLLAND
DEALER

- Designed and built for the big-volume hay growers and custom operators who make many thousands of bales each season.
- Makes ideal bales for mechanical bale handling.
- Famous Super-Sweep pickup is 75 inches wide and is offset to let today's wider tractors drive beside the windrow, not on it.
- New, improved heavy-duty knotters and twisters for trouble-free baling.

The bigger the job, the happier you'll be with a Sperry New Holland baler. See the capacity of the Model 320 for yourself.

Sperry New Holland Model 320 Baler.

WHEN YOU FINISH BALING, YOU'RE FINISHED LOADING.

Model 70 bale thrower

The Model 70 bale thrower fits all three 14" x 18" balers in the Sperry New Holland line. It's easy to maintain and reliable in operation.

And it swings up, out of the way for easy access to bale chamber, or to drop bales directly on the ground.

Like all Sperry New Holland machines, the "70" is backed by a service and parts system that's second to none.

New

75 Hydraulic bale thrower.

The new Model 75 combines reliable hydraulic drive with overall heavy-duty construction, to give you a bale thrower with unmatched durability. It fits baler Models 310, 315 and 320. It'll throw twine- or wire-tied bales that are up to 41 inches long and weigh up to 80 pounds.

For convenience, the Model 75 is equipped with an automatic wagon hitch that lets you unhitch a full wagon without leaving your tractor seat.

And the electric control option provides fingertip bale placement control. Toggle switches mounted on a control box next to your tractor seat control bale direction and distance. You have complete throwing control, even while cornering.
