## Have You Purchased Your SILAGE and HIGH MOISTURE CORN ADDITIVES or PRESERVATIVES For The coming Season?

With the large selection of products available to you today, deciding which way to turn brings important questions to be answered ..

??  
**The Questions**  
??

- WHAT AM I GOING TO USE ON MY SILAGE THIS YEAR?
  - A An Enzyme Based Product?
  - B A Yeast Preparation?
  - C A Urea Product?
  - D A Molasses Based Product?
  - E A Cultured Additive?
- WHAT WILL TOTAL COST OF THE PREPARATION BE?
  - A Cost Per Ton!
  - B Coverage Per Ton!
  - C Total Return Vs Dollar Investment!
- HOW WILL I APPLY THE PRODUCT I CHOOSE?
  - A Easy Application!
  - B Requires Special Applicator!
  - C Must Be Applied By Hand!

Now Let us give you answers to the above questions in relationship to our product ALFA-ZYME!

!!  
**The Answers**  
!!

- ALFA ZYME is a fermented enzyme product injected onto a fine grade alfalfa (a top grade carrier of enzymes) We have the ORIGINAL ENZYMES PRODUCT!
- The COST of ALFA ZYME Vs return for your dollar is fantastic. While other products use minimal lbs per ton ALFA ZYME requires 50 Lbs for every 3 tons of silage or high moisture corn. A 120 ton silo takes 40 bags or 1 tone of ALFA ZYME
- We realize we might not have the easiest product to apply but after application we have that "SOME THING SPECIAL" that makes better silage and corn! (No we don't have an "easy applicator" but then again if your results are not satisfactory with "easily applied" products all you end up with is a useless "easy applicator" )

We hope the above information has captured your attention. Now we have a few questions of our own

- Do you realize the product you choose will determine the outcome of your silage up to the next filling season? You can change your feeding program often, but the product you apply to your silage or corn must work the coming winter, spring and summer months!
- Have you already purchased a product because of an early discount or "special deal"? If so, try this test fill 1/2 your silo with the other product and then add ALFA-ZYME to the remainder. Make 1981 the year you make the test!

### IN SUMMARY...

Making BETTER SILAGE and HIGHER MOISTURE CORN is our main business. And, ALFA-ZYME has been proven on farms like yours in PA, MD, VA, and W VA

### NOW...THE FINAL QUESTION!...

Where can I purchase ALFA-ZYME?...Ask your feed dealer, farm store operator, call or write:

**ALFA-ZYME**  
Box 32, New Kingstown, Pa. 17072  
717-697-9085

Many Dealers to serve you in PA, MD, & VA

DELIVERIES AVAILABLE

## CENTRAL HEAT FROM WOOD AND COAL (OR OIL OR GAS)

You can replace your outdated and inefficient oil or gas burner with a modern high efficiency oil or gas burner that also burns wood and coal. The H.S. Tarm burns oil or gas with efficiencies equal to or better than other oil or gas burners, plus it allows you to burn low cost wood or coal.

Most users report savings of 50% or better over last years heating bills. Call or write today for an estimate.
