Sow Power Sow Feeds from Pennfield... A Fast Start for a Profitable Finish!

The right nutrition for your sows starts at breeding and continues through lactation. That's why Pennfield Feeds developed Sow Power Feeds. They provide the exact combination of nutrients, at the proper time, to assure you better conception and farrowing rates, plus better milking sows for heavier weaning weights.

Bigger pigs at weaning means healthier, faster growing pigs to market. And that is Pennfield's measure of success for our customers. Because at Pennfield Feeds, our goal is to help you become more successful.

We believe we can accomplish this goal. Ask your Pennfield representative, or call today for more information about how **Pennfield's Penn Pro Sow Feeding program** can improve your herd efficiency, and your profitability.
