WATER WAR

Re: House bill #1483
Printer's #1723

Fellow Pennsylvanians:

House bill 1483 is a dangerous infringement on the FREEDOM AND PROPERTY RIGHTS of all citizens of the Commonwealth. You should request a free copy from your representative.

HB 1483 provides for another TAX on your right to drink water from your own well or spring. Page 40 line 10.

HB 1483 confiscates your rights to all water on your own land. The bill says:

The water resources of this Commonwealth are public natural resources held in trust by the Commonwealth for the benefit of all the people. Page 7 line 18

Fellow American, that is right out of the Communist manifesto. That is the doctrine of HITLER-MARX-CASTRO-MAO...IT IS NOT PART OF THE BILL OF RIGHTS or of THE UNITED STATES CONSTITUTION or THE CONSTITUTION OF THIS COMMONWEALTH. It is not the doctrine of WASHINGTON, JEFFERSON.

While you read this sentence someone is dying trying to escape the tyranny proposed for all Pennsylvanians by HB 1483.

HB 1483 provides the right of EMINENT DOMAIN for not only a bureaucracy of the Commonwealth but for certain public utilities the right to CONFISCATE the water from your well, even after you paid for a permit. Page 36 Line 1-17

HB 1483 provides that you MUST permit AGENTS of the department to ENTER and EXAMINE ANY PROPERTY (your home)-you must GIVE THE AGENTS free and unrestricted ENTRY and ACCESS. P42.

I am not suggesting that those members of the House who introduced HB 1483 are communists or communist agents. I am suggesting that they have not read the language of the bill. I am suggesting that every member of the House examine the bill and the effects it will have on the FREEDOM of ALL PENNSYLVANIANS. NO ONE CAN SUPPORT THE CONSTITUTION AND THIS LEGISLATION.

The bill was introduced by

The two positions previously were "manager" and "deputy manager."

Sims served for 21 years as chairman of the board and president of GROWMARK, Inc., an Illinois agribusiness firm with annual sales of about \$2 billion. He retired from GROWMARK in September, 1980 and began working for FCIC in May, 1981.

Sims has served on the boards of directors of the National Cooperative Refinery Association of McPherson, Kan.; Farmers Export Company of Kansas City,

Mo.; and as the GROWMARK shareholder representative of CF Industries, Inc., of Long Grove, Ill.

A native of Adams County, Illinois, Sims is a 1941 graduate of the College of Agriculture, University of Illinois.

Sims is a fourth generation farmer who presently operates a 1,200-acre grain and livestock farm at Liberty, Illinois, in a partnership with his brother and son.

Edward Madigan (R-Ill.); as a legislative assistant to Sen. Charles Percy (R-Ill.); and as acting minority staff director for the U.S. Senate Select Committee on Nutrition and Human Needs.
