

**ARE YOU SICK
AND TIRED OF
DAILY MANURE HANDLING?**

**INVEST IN A SLURRYSTORE® SYSTEM.
IT'S LIKE HAVING MONEY IN THE BANK!**

The SLURRYSTORE® System can put an end to daily manure handling once and for all. Daily hauling is not only an offensive job, but inefficient use of the nutrients in manure. With the SLURRYSTORE System, you don't haul manure until you really need it — like after the first cutting or in the fall to maximize results in spring crops.

With the rising cost of commercial fertilizer, don't you think a SLURRYSTORE System is worth looking into?

**IT'S TIME TO BUILD YOUR SLURRYSTORE SYSTEM. DON'T GO
THROUGH ANOTHER WINTER OF OLD-FASHIONED
MANURE HANDLING!**
