TORQUE AMPLIFIER, CLUTCH & TRANSMISSION PARTS & SERVICE

HEAVY DUTY CLUTCH SPECIAL

Heavy duty clutch disc & pressure plate for IH Louisville line of tractors 451, 454, 464, 574, 674, 584 & 684. Features an 8 pad clutch disc & 9 spring pressure plate to replace the 3 spring pressure plate and 3 4 or 6 pad clutch disc that came in these tractors from factories. The design of our pressure plate provides considerable more lockup pressure w/o increasing required pedal pressure or causing a grabby clutch, and is proving to be an excellent clutch for tractors where clutch is subjected to severe use. This combination is priced regularly at \$350. Now \$325.

Rebuilt TA assemblies in stock for IH tractors, New and Rebuilt. Water Pumps, Dynalife clutches, pressure plates, and PTO drive shafts (are spline fitted into pressure plate. IN STOCK for tractors A B C through 1586 also for most models of IH combines.

Complete TA assemblies for 706-1586 are priced at \$550 and come with a Dana Co. Heavy Duty Sprag instead of the usual IH sprag. The Dana sprag is guaranteed for 2 yrs. against failure. Sprag kits (includes sprag gear, Dana sprag & piston carrier) and all items for rebuilding your own TA assembly are available to qualified persons. Ramps and carriers for older style TA's (as in SMTA-340 560) are priced at \$150 each and carry a 90 day guarantee. We have parts needed for TA repair in stock at prices which will save you money. Shop is available for complete TA installation or split the tractor yourself and send the center housing to us. Complete rebuilt center housings available on exchange basis or for installation in tractors which did not have TA from factory.

Selling parts from the following:
 Please have part no. when calling if possible.
