

PA judging team collects first place titles

ALLENTOWN — The Lehigh County 4-H Livestock Judging Team, chosen state champs at State Achievement Days in August at Penn State, scored high team overall at the 1981 Eastern U.S. 4-H and FFA Contest in Virginia, and

the 56th Annual Eastern States Exposition in Springfield, Mass., September 19.

The team includes Diane Krause, Slatington; Jane Sikorski, Emmaus; Bonnie Wessner, New Tripoli; and coaches, Greg Snyder,

New Tripoli; Gail Snyder, New Tripoli; and Kathy Listwak, Allentown, 4-H Coordinator.

At Massachusetts, the team judged 12 classes of livestock: 5 of beef, 4 of swine, and 3 of sheep. Afterwards they gave 3 oral sets of reasons — one from each species — explaining how they placed the respective class.

Following in second place at the Eastern States Exposition was Maryland; Delaware was third; New Hampshire fourth; and Connecticut fifth.

Jane Sikorski emerged high

individual overall in both contests. She also placed first in cattle judging in Massachusetts and third in Virginia. Jane was fifth high in swine judging at the Eastern Expo and third in swine in Virginia.

Willi Wilson, who judged also at the Virginia State Fair, received second high overall and fourth place in sheep judging.

Diane Krause of Slatington emerged from the judging at Virginia with the title of first high

individual in beef judging and Bonnie Wessner received the same title in sheep judging.

Overall, the Lehigh team was first place team in cattle, swine and sheep judging at Massachusetts and first in sheep, third in beef and third in swine at Virginia, placing over 7 other states: Georgia, Maryland, West Virginia, Indiana, South Carolina, Virginia and North Carolina.

(Turn to Page B15)

Members of the PA state livestock judging team placing first recently in Massachusetts and Virginia are: l to r, Gail Snyder, coach; Jane Sikorski; Willi Wilson; Diane Krause; and Bonnie Wessner.

Are you worried about the high cost of heating? **KERO-SUN**

The Kero-Sun Radiant 10 operates on clean burning, safe kerosene. Amazingly efficient, the Radiant 10 burns over 30 hours on less than 2 gallons of fuel, producing a remarkable 9,400 BTU/hr. (heating as much as 3,000 cu ft.). This pennies per hour heating method brings welcome relief from today's cost of heating (1/3 to 1/2 cost of equivalent electric heat). So stop shivering, start shopping for a Kero-Sun Radiant 10 heater.
