

You've got to be good
to make good now.

So you build your own hog rations for
less money.

Bottom-Line With Vigortone's new Bottom-Line
Swine Feeding Program.

Vigortone's new Bottom-Line Swine Feeding Programs are a way to grow and finish hogs more profitably — because they show you the most economical way to make up for the specific deficiencies found in your own grains and roughages as they relate to the needs of your hogs. You simply add the exact formulation of vitamins, minerals, trace elements and other nutrients you need.

VIGORTONE[®]

When you make feed at home, your money stays at home.

You don't pay for middlemen, high-priced protein, feed fillers, processing, or supplement bagging or handling. Yet, you don't settle for anything less than top nutrition — nutrition that'll show up where it really counts, right on the bottom-line.

Get complete details and a feeding recommendation soon.
