(Turn to Page D29)

**Plows
...discs.
Built to take the horses.**

To meet today's new speeds, Allis-Chalmers has beefed up the "iron." Developed new, high-strength plow designs. Stronger hitches. Bottoms. We've added more clearance, too. And there's a wide choice of beams, bottoms and coulters to match your soil conditions and farming methods. If you need big, rugged discs...we've got them. Hydraulic fold-up. Blades that weigh 60 to 400 lbs. In 18 to 32-inch diameters. So, for all your implement needs, see your Allis-Chalmers dealer...the man with the beefed-up iron.
