# 110-hp 4240

**Smooth, dynamic power  
and plenty of it**

A genuine John Deere 6-cylinder diesel engine powers the 4240. It's a 466-cu.-in. naturally aspirated smoothie that pumps out 110 horsepower all day long without pause. But that's just one reason you're going to like this talented performer. Because hand-in-glove with the smooth power is the convenience of 16-speed Quad-Range™ transmission with built-in Hi-Lo. It delivers no-stop shift-on-the-go convenience and it's standard equipment. See us for more details.
