

# Whitewood shows "Best" Chianina bull

TIMONIUM, Md. — An 18-month-old Lombard son captured the Supreme Champion title of the Chianina show during the Eastern National Livestock Show last week.

Whitewood Best Bet, owned by Whitewood Farm, The Plains, Virginia, also claimed the Senior Champion Black Chianina award as well as the Grand Champion Black Chianina title.

Show judge Roger Hunsley from West Lafayette, Indiana, chose Cindy Miss Ferrero as Supreme Champion Female. The yearling Black Chianina claimed the Junior title and later went on to be named grand champion in the Black division. The top female, owned by Cindy Scherer, is a Ferago daughter.

The top American bull was K.R.F. Iggy, a 7-month-old Igiso son, exhibited by Kenianne Sue Rarrick, Reading.

Hunsley went with Nittany Princess 8036 for grand champion American Chianina. Sired by

Rossini, the 18-month-old heifer is owned by Galen Driebelbis, State College.

Bermdlin Farm, Abbeville, South Carolina, exhibited the top Full-Blood Chianina. The champ, Doc's Little Girl is a yearling heifer sired by Delamere Dolanda.

Additional results follow of the Chianina competition at the Eastern National Livestock Show.

**Class 16**  
1 Whitewood — Supreme, Grand and Senior Champion, 2 Culp & Culp Chianina, Rensselaer, Ind — Reserve Grand and Reserve Senior Champion, 3 Joseph Messick

## Berks farmers nominate ASC committee candidates

LEESPORT — Farmers are asked to nominate candidates of their choice to be on the Berks ASC community committee ballot, says Mark Balthaser, chairperson of the Berks County Agricultural Stabilization and Conservation committee.

The ASC community committee election will be conducted from November 27 to December 7 by mail ballot. The eleven ASC

communities in Berks County are: Comm. 1 - Bethel, Marion & Tulpehocken twps.; Comm. 2 - Jefferson, Upper Tulpehocken & Penn twps.; Comm. 3 - Tilden, Upper Bern & Center twps.; Comm. 4 - Perry, Windsor, Bern, Ontelaunee & Muhlenberg twps.; Comm. 5 - Albany & Greenwich twps.; Comm. 6 - Longswamp, Rockland, Maxatawny, District & Hereford twps.; Comm. 7 -

Richmond, Maiden creek & Ruscombmanor twps.; Comm. 8 - Oley, Pike, Alsace, Lower Alsace & Exeter twps.; Comm. 9 - Colebrookdale, Earl, Amity, Douglass & Washington twps.; Comm. 11 - Caernarvon, Robeson, Union, Brecknock & Cumru twps.; and Comm. 12 - North Heidelberg, Heidelberg, Lower Heidelberg, South Heidelberg & Spring twps.

ASC committees are responsible

for managing government farm programs on the local level. To meet the needs of individual producers, ASC committee members must be concerned and responsible individuals, Balthaser explains. Berks County farmers have the opportunity to nominate persons they feel would best serve the farm community. Farmers have received petition forms by mail and are now submitting them to the county ASCS office.

In order to be valid, petitions must be limited to one nominee each, must include written certification that the nominee is willing to serve if elected, must be signed by at least three eligible farm voters in the ASC community, and must be received in the county ASCS office no later than November 2, 1981.

Farmers may circulate or sign nominating petitions for as many candidates as they choose. Anyone wishing to nominate a farmer for the ASC committee election may contact the county ASCS office for full details, including eligibility requirements for officeholders.

Farmers should petition for and elect those individuals they feel would do a good job as a member of the ASC committee, Balthaser recommends.

Brian Parsons, Salesman, State College, Pa. Examines EASTLAND "E 3X717". It Produced 122.5 Bu. Dry Shelled Corn Per Acre At This Location Last Year.

Why have good corn growers been ordering Eastland E 3X717 EARLY for the past three seasons? Simple! Because they know there was never enough to go around. The 1982 supply will be excellent, so why order early? Simple! The answer is value!! This 110 day variety can be purchased now at last year's price — guaranteeing you the best price of the season! With Eastland E 3X717 each corn grower gets a proven 3-way variety that will push over the most expensive single crosses in the business. (It was the #1 yielding variety in the Penn State late medium season screening trials last year).

If value equals sensible price plus productivity - E 3X717 has it! Get yours soon.
