WATER WAR RAGES

Re: House bill #1483
Printer's #1723

Fellow Pennsylvanians:
House bill 1483 is a dangerous infringement on the FREEDOM AND PROPERTY RIGHTS of all citizens of the Commonwealth. You should request a free copy from your representative.
HB 1483 says:
"The water resources of this Commonwealth are public natural resources held in trust by the Commonwealth for the benefit of all the people." Page 7 line 18
Fellow American, that is right out of the Communist manifesto. That is the doctrine of HITLER-MARX-CASTRO-MAO...IT IS NOT PART OF THE BILL OF RIGHTS or of THE UNITED STATES CONSTITUTION.
HB 1483 provides the right of EMINENT DOMAIN for, not only a bureaucracy of the Commonwealth but for certain public utilities-the right to CONFISCATE the water from your well, even after you paid for a permit.
HB 1483 provides, "duly authorized agents are authorized at all reasonable times to enter and examine any property," "the owner shall give the agents free and unrestricted access." "Upon refusal to grant entry or access, the agent or employee may obtain a search warrant..." Page 42,43.
How does a search warrant work? State police gave the following account:
Sunday at 10:30 a.m., members of the Troop obtained a search warrant to search the residence.
At 11 a.m. the warrant was served by 15 troopers aided by Twp. Police Chief.
YOU MUST cry out against this infringement on YOUR property rights.

Ask your Representative for a copy of HB 1483.
