CHOOSE THE COMBINE OR FORAGE HARVESTER YOU NEED AND GET
REBATES FOR CASH - FREE FINANCE - LOWER INTEREST RATE CONTRACTS

There's nothing like a Twin Rotor™ combine from Sperry New Holland. For good reason. The dual-rotor threshing is patented so others can't duplicate it. Come in soon and let us tell you about this exciting advance in combining. There are three models to choose from. And be sure to ask us about the completely new line of Sperry New Holland corn heads, flexible cutterbar soybean headers and rigid cutterbar grain heads.

The Model 892 is the biggest capacity pull-type forage harvester offered by Sperry New Holland. Built for big tractor horsepower, the "892" will power through the driveline, and be used with tractors up to 175 horsepower.

The optional electronic metal detector — a Sperry New Holland exclusive — reduces harvester damage and can cut down on hardware disease. The "892" is available with 12-knife or 8-knife cutterhead. Exclusive underbeveled knives never need rebeveling and make knife sharpening fast and easy. Flip-up feedroll makes shearbar adjustment easy.

There's a big choice of crop heads, including the exclusive interchangeable 3-row crop head/windrow pickup, 2-row low-profile crop head, conventional windrow pickup, sicklebar and ear-corn snapping heads. Under-knife baffles increase capacity.

Like all Sperry New Holland machines, the "892" is backed by a service and parts system that's second to none.

1. WAIVER OF INTEREST 'TIL MARCH '82 OR AUGUST '82 w/ RENTAL PURCHASE PLAN

— or —

2. LOWER INTEREST RATE CONTRACTS: 13.9% - 2 YRS.; 14.9% - 3 YRS.; 15.9% - 4 YRS.

— OR —

3. REBATES FOR CASH DEALS: \$6300 TO \$450 ON FORAGE HARVESTERS; \$300 ON FORAGE BOXES AND FLAIL CHOPPERS; \$150 ON BLOWERS

The 250-hp Model 1900 chopper features an exclusive electronic metal detector that reduces harvester damage, and helps cut down on hardware disease. Exclusive underbeveled knives never need rebeveling. Exclusive flip-up feedrolls make shearbar adjustment easy. Exclusive interchangeable cropheads — ideal for the farmer/rancher who chops both windrowed crops and row crops. Plus a big choice of other crop heads. Under-knife baffles increase capacity.

The Model 782 is built for heavy-duty performance. The 12-knife cutterhead chops uniformly, without a recutter screen. But for special crops and conditions, recutter screens are available.

Check these outstanding features: Exclusive underbeveled knives eliminate the need for rebeveling. Flip-up feedroll makes shearbar adjustment easy. Choice of 540- or 1,000-rpm driveline.

You have a big choice of cropheads, including one- and two-row low-profile cropheads, windrow pickup, sicklebar and one-row, ear-corn snapping head.

The new Model 75 combines reliable hydraulic drive with overall heavy-duty construction, to give you a bale thrower with unmatched durability. It fits baler Models 310, 315 and 320. It'll throw twine- or wire-tied bales that are up to 41 inches long and weigh up to 80 pounds.

For convenience, the Model 75 is equipped with an automatic wagon hitch that lets you unhitch a full wagon without leaving your tractor seat.

And the electric control option provides fingertip bale placement control. Toggle switches mounted on a control box next to your tractor seat control bale direction and distance. You have complete throwing control, even while cornering.

1. WAIVER OF INTEREST UNTIL JUNE 1982

2. REBATES FOR CASH DEALS: \$1900 TO \$450 ON MOWER CONDITIONERS AND BALERS; \$300 TO \$125 ON MOWERS AND THROWERS; \$150 ON RAKES

Stop in and get a great deal on the Sperry New Holland Model 315 baler. This 14" x 18" baler is built extra rugged to handle tough crops. It's designed to work hard and give years of dependable service.

Now's the time to buy because we're moving our complete stock of hay tools.

Full-width conditioning rolls in the Model 489 Haybine™ mower-conditioner are located in the main frame, not the header. The lighter header responds quicker to ground contours and greatly reduces knife and guard damage. The "489" is designed for operators who demand the very best.
