

ACT NOW AND SAVE

WHEN YOU BUY A NEW JOHN DEERE 40- TO 80-HP TRACTOR YOU EARN \$500 OF JOHN DEERE MONEY AND SAVE ON FINANCE CHARGES

Buy a new 2040, 2240, 2440, 2640, or 2940 Tractor before November 20, 1981, and you'll qualify for \$500 in John Deere money you can spend for goods or services at our store. And, no finance charges will accrue on purchases until March 1, 1982.* The same finance waiver offer applies to new implements purchased with the tractor.

But a \$500 John Deere money bonus and a break on finance charges aren't all you get when you buy one of these 40- to 80-hp tractors. You also get a tractor with outstanding lugging ability, tough drivetrain and a lot of extras, such as closed-center hydraulics, as standard equipment.

So act now and save. It's your gain.

This finance offer may be withdrawn at any time

The new 260 Loader has quick-change appeal

The quicker you can demount your loader, the quicker you can get to other tractor jobs. John Deere's new self-leveling 260 Loader, with Quik-Tach™ mount/demount, lets you do just that. Drop parking stands, pull two pins and disengage hydraulics — your tractor is free for other duties. And, **NO TOOLS ARE NEEDED.** Mounting is just as easy. Changing attachments is also a no-tool job. Again, just pull two pins and your loader changes from manure handler to pallet mover, round-baler hauler and more. The 260 Loader offers self-leveling, gives 40 degrees of rollback and operates with single-level control. You get faster cycling, fewer spills. Come in and see it today.

MOW IT, BAG IT. ONE-STEP LAWN CARE WITH JOHN DEERE LAWN TRACTORS

Take care of your mowing and bagging chores in one simple operation with a John Deere Lawn Tractor and optional 4-bushel rear bagger.

John Deere Lawn Tractors are available in two models — the 8-hp 108 with 30-inch mower and the 11-hp 111 with extra-wide 38-inch mower. Both models feature color-coded controls for quick identification. And a 5-speed transmission with on-the-go shift conveniently mounted on the right fender deck.

These tractors are designed for your safety and comfort. A triple-safety system guards against accidental starts. And a safety switch automatically shuts off the engine if you leave the seat with the PTO engaged. There's an adjustable, padded seat mounted on two springs for an easy ride. And a roomy operator's area with 2-position footrests.

Take care of mowing and bagging chores the easy way with a 108 or 111 Lawn Tractor. For snow removal and light grading, a 32-inch snow thrower and 42-inch front blade are also available.
