

IF MANURE

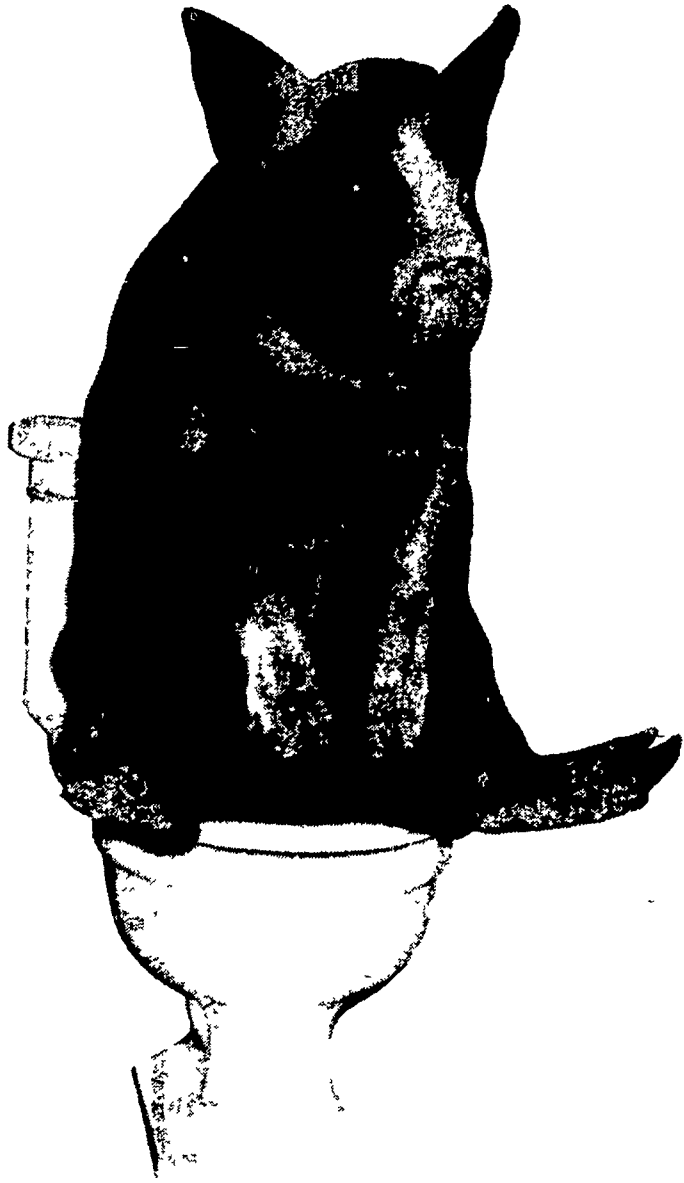

Is A PROBLEM

Everyone is invited to attend our
MANURE MANAGEMENT MEETING
Thursday, November 19, 1981 at 7:30 PM
Farm & Home Center, Lancaster, PA

**Manure Management Expert from Livestock
Sanitary Systems, Inc. of Sioux City, Iowa
will give a presentation**

The Lissco Solution

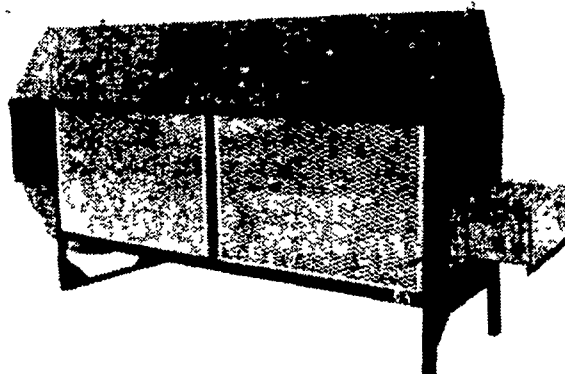

**Lissco's waste handling & treatment design
for confinement livestock systems is the
next best thing to toilet-trained animals.**

**1170 Sow Farrow thru Finish
Lagoon with Lissco Aeration**

Lissco Solids Separator

The Lissco solids separator is the answer to many of the problems facing livestock producers today, such as soaring energy costs, strict pollution standards, high production costs and the high costs of waste handling, treatment and storage.
