**HOLD** your "horses"...

**BRING YOUR TRACTOR IN FOR A FREE DYNAMOMETER CHECK!**

You can protect your investment in your tractor by HOLDING its capability for top performance and fuel economy. A complete dynamometer analysis in our shop will accurately measure PTO horsepower at any rpm and other important engine functions. We can tell you how your tractor is performing, and we can provide any necessary adjustments or repair while your tractor is in the shop. Call us soon. We want you to "hold your horses" for maximum tractor efficiency.

This emblem in our dealership attests that our mechanics have successfully undertaken special service training by Ford Tractor in various areas of mechanical and hydraulic operations and repair.
