

The PRIME LINE

Hesston 7100 Series Pull-Type Forage Harvesters feature a precision-built, 6-knife cutting cylinder. It doesn't "chop" crop...it "slices" with scissor-action efficiency for clean cutting, top capacity and fuel efficiency! Straight-through crop flow puts more power into cutting the crop, and exclusive Flo-Vanes add even greater capacity!

Forage Harvester Clean-up Special Rebates!

Hesston/Field Queen Self-Propelleds feature a power-efficient, 6-knife cutting cylinder and giant 139 sq. in. throat opening for big tonnage forage harvesting. Exclusive Hesston Flo-Vanes on the 7650 and 7600 reduce bunching and increase capacity. The big Command Post Cab offers unmatched comfort and convenience. Add the industry's widest selection of SP headers, and you have the prime cut!
