

# Cumberland Co. holds Pudding craft day

A string of hearts - a beautiful red and white decoration - will bring love and goodwill to any home that has one.

(Editor's note - The Cumberland County Extension Service recently held a Christmas Pudding craft day, and Lancaster Farming was lucky enough to have a little mouse at the event which supplied us with the following rendition of the day.)

**BY BETH HEMMINGER**  
Staff Correspondent

'Twas the morning of Christmas Pudding craft day,  
And all through the Cumberland County Extension Office everything was in array,

Marg Malhorn scurried and hurried just like a mouse  
Gathering, cleaning and sweeping as if being chased by the cat of the house.

Finally, the goodies were baked and beautifully displayed,  
But Marg still had visions of things left in a state of dismay.

She gathered and swept, till her mind was put to rest,  
Then she settled down for a moments rest.

She was up in a minute to set up the crafts—wreaths, trees, reindeer and horses.  
Now she was ready to teach her Christmas courses.

(Turn to Page B22)

Every animal needs a Christmas treat and Marg made a dog food wreath for her dog.

## THE PATZ SOLUTION: Rugged, Dependable Gutter Cleaners

Your gutter cleaner has to work day after day, year after year. Better make sure you can depend on it.

Patz gives you over 30 years of quality and dependability in every gutter cleaner we make. We're the ones with the proven forged steel hook-and-eye link... the secret to Patz performance. You can easily remove or replace links and flites without tools.

Your Patz gutter cleaner becomes a wise investment for you over the years because it's built to last. The all-steel slide and one-piece steel flites with wear shoes are engineered to withstand the rugged wear of every-day operation. And Patz gutter cleaners are adaptable to many layouts.

Talk to your Patz dealer. He'll show you how Patz performance means fewer problems for you. And that gives you more time to manage your livestock operation for greater profit.

Heavy-duty link (top) and extra heavy-duty link (bottom) for long chains and heavy loads

Adapts to varied installation layouts.
