HAYBUSTER. BIG BALE BUSTER. THE SENSIBLE SOLUTION FOR FIELD OR FEED BUNK FEEDING

a new idea to save
you time and money

Just lower the fork (hydraulic operation), back it under the bale and the bale is lifted into the shredder.

Use the BALE BUSTER for "bedding" - inside or outside. Drop adjustable deflector down for range feeding. Spreads bale in an easy-to-feed windrow.

Shredding big bales into feed bunks is an easy job for the BALE BUSTER. Flow control valve regulates grinding for coarse or fine feed... SENSIBLE!

Shred big bales right in the field for range feeding. The BALE BUSTER lays ground hay evenly in easy-to-feed windrows - no trampling or hogging by cattle... SENSIBLE!
A one man operation, simply back up

to the bale... pick it up with the fork... lift it into the BALE BUSTER... all in a few seconds. You're ready to shred hay into feed bunks or field windrows... SENSIBLE!
(Bunk feeder attachment optional)

BRICKERVILLE EQUIPMENT

SALES * SERVICE * PARTS
537 E. 28th Div. Hwy. Lititz, PA 17543
717-626-6198

Outstanding Features

Thick walled for extra strength. No spreader on the market has thicker walls 30 to 70% thicker steel than competitive spreaders.

Adjustable relief valve maintains uniform pressure. Prevents over pressurization of tank.

Primary Shut-Off valve, plus a secondary shut off provide more than adequate protection against liquids entering the pump.

Big 512 cubic inch displacement pressure-vacuum pump is standard equipment. Conservation rated at 135 C.F.M. of air at 85 to 90 percent vacuum for filling and will maintain 10 to 15 lbs. of pressure for unloading or agitation in the pit.

Open door models permit access for cleaning and easy maintenance.

Walking beam suspension. Standard on 2 600 3 150 3 600 and 4,600 gallon models. (Optional on 1 500 & 2 100 gallon models). Front & rear wheels on each beam follow contour of the ground provides a smooth level ride.

Flotation tires reduce soil compaction. Let you spread on soft ground early in season.

Massive frames resist the wrenching twisting jolting shocks of hard field usage year after year.

USED TRACTORS FOR SALE

1 - JD 4020, good cond. 1 - Ford 4000, good cond.
Both Diesels with wide front ends

Sizes - 800 gal. thru 4600 gal.
