

Worship service set for Show

HARRISBURG — A non-denominational worship service will be held at 11:30 a.m., Sunday, January 10, to herald the opening of the 66th Annual Pennsylvania Farm Show.

State Agriculture Secretary Penrose Halliwell said the service, in the main arena of the Farm Show Complex, has been scheduled to accommodate out-of-town visitors who may wish to attend the opening day festivities.

"In the past," he said, "many people who wanted to attend the opening ceremonies were forced to decide between church and the Farm Show. This worship service provides the opportunity for out-of-town visitors to do both."

The service was arranged through the Pennsylvania Council of Churches under the direction of the Reverend Paul D. Gehris, director of the council's Office of Social Ministry.

Delivering the sermon, "In the Middle of Things," will be the Reverend Pamela H. Ford, of the United Methodist Church, Central Pennsylvania Conference. Assisting in the service is the Reverend Albert Myers of the State Council of Churches.

Special music for the worship service will be provided by the "Baptones," a spiritual quartet from the West Shore Baptist Church of Camp Hill. The members include, E.J. Stevens, pianist; Al Sweigard, Bob Zoll and Tom Gabel, Sr.

What's he doing baling at this hour?

Whether it's early in the morning and there's still dew on the windrows, or late in the afternoon... he's out baling! He's treating his hay with Beacon Hay Pre-Serv[®], and that means he can bale at up to 25% moisture! So, he can bring in his hay early in the day, perhaps before bad weather hits. Or he can bale two or three hours later in the afternoon. Or when the hay is almost field cured, but not quite.

What's more, he'll have better hay. Because of its higher moisture content, there's less leaf shatter. There are more high-protein leaves that will turn more milk production. No wonder we call hay treated with Beacon Hay Pre-Serv SuperHay!

Start using this food-grade blend of preservatives, antioxidants and flavors on your hay yourself. Start making SuperHay, and start making super profits! Call your Beacon Advisor now.
