

Veg-Hort conference

(Continued from Page A1)

detailed for agriculture, and reports temperatures for high and low elevations, wind speeds and directions, duration of rain and arrival time, expected amount of rain in inches and frost expectation and more.

Hinsh said "to me this has been a great advantage, especially knowing when the winds will be under 8 miles per hour, so I can spray."

Afternoon sessions centered around frost protection with usage of helicopters and wind machines being of prime interest. A panel of four fruit producers discussing separate frost protection methods was made up of Milton Knouse of Knouse Foods in Arendtsville; Terry Hepburn of Hepburn Orchards in Hancock, Md; John Baugher, Jr. of Adams County Nursery Inc. from Aspers, Pa.; and William Baronner, a

strawberry grower from Hollidaysburg, Pa.

Wednesday served as peach day for the fruit growers with topics such as Cystospora Canker of Peaches, Peach production practices, and Peach tree propagation methods for the future.

A panel of peach producers describing practices that work for them was made up of W. Howard Heritage, Ridgewood NJ; George Unger of Berkley Springs, WV; Eugene Blevins, Stewartstown; and Richard Haas, Lancaster on Wednesday afternoon.

One of the PA Wine Growers Association's main topics was the recent trend of wine producers who are starting to market their wines like soft drinks. Other areas of interest for the producers were Who's who of grape disease and Pesticide usage by PA grape growers.

The annual Vegetable Growers

dinner was held Wednesday night with Donald Lohr of Royster

Lancaster, serving as toastmaster; and Ernest

Bergman, speaker, presenting, "A lighthearted tour of South China."

SPRINGTIME

"PIT STOP" ON-FARM TIRE SERVICE

299-3794

The Fast, Sure Way To Avoid Costly Downtime

ULTRA GRIP RADIAL REAR TRACTOR TIRE

NO-RISK 90-DAY OFFER!

You like 'em or we take 'em back! Here's our offer: Buy a pair of Ultra Grip Radials now. If, after 90 days from the date of mounting, you are not completely satisfied with the performance of these tires, we will remove the Ultra Grip radials and replace them with new Goodyear bias ply tires of like size and ply rating and credit you for the difference. How can we make this offer? Because you save as much as 11% of your time in the field and up to 9% of your fuel cost over bias ply tires. On this basis you can offset the cost of the radial (versus our bias ply Power Torque) in two years or less!
