Vermeer Irrigation Traveler

MODEL SR-1200 \$19,000.00

Now irrigate up to 9 acres of your crops in one setting with the Vermeer Model SR-1200 and up to 20 acres per day with 1" of water or effluent. This combination unit works together as winch and trailer. Set the winch at one end of the area to be irrigated and pull the trailer and position at the other. The trailer with the sprinkler is pulled through the field using the hose. The reel capacity is 1,200 ft. (optional 1,000 ft.) with a capacity of up to 450 gpm. A Wisconsin S-14D gas engine is used to turn the reel. Ease of operation and no hose loop to damage crops are just two reasons to consider the SR-1200 Traveler from Vermeer...innovators of irrigation products.

Also exclusive dealer for Wright Rain Tractor Driven Manurain Pumps and Manurain Sprinklers.
