INCREASE PROFIT MARGIN WITH A BRAY MAGNETIC BREEDING CALENDAR

Each cow individually recorded with colored magnetic dice which makes all systems using pins and tabs obsolete.

Six patented revolving 21 day hands give a complete account of cows heat cycle.

Revolving hands give you day to day status every day 365 days a year.

Tells you EVERYTHING you need to know about every cow in your entire herd at a glance!

No chance of overlooking ANY cow.

Owners say they have saved enough to pay for the calendar in less than 1 year in herds of 35 or more cows.

You Can Improve Your Herd Breeding Efficiency Greatly By Using A Bray Magnetic Breeding Calendar
