# Chicken Motel?!

No, we didn't diversify into the motel business! But the point is we hate to have to display a "Sorry, No Vacancy" sign to customers preferring the "AAA" chicks and started pullets they've come to expect from Moyer's. Choice of hatch dates and hatch egg availability are going fast.

And, oh yes, we do like to think our growing pullets get some of the best of care — well, maybe not a private pool and air conditioning!

If during the remaining days of February you give us a call or drop us a note with your orders for 1982 you can earn a 1% rebate. This applies to pullet chick or started pullet orders of 2500 or more. Mention this ad when you order.
