Wayne plans annual sheep meeting

HONESDALE — The 1982 annual sheep marketing sponsored by the Wayne County Sheep and Wool Growers Association will be held at the Pleasant Valley Grange on Tuesday evening, March 2 at 7:45 p.m.

Highlights of the evening include comments from Tom Fasshauer of Art's Apparel, Honesdale, on

current market conditions of wool clothing. Mark and Frances Oliver of Damascus will demonstrate monitoring their lambing operation by closed circuit TV and Vernon Crum of Milanville will comment on his lambing success through use of the intercom radio system.

Louis Mang, regional director

will report on Northeast Association news, other business like the 1981 Wool Pool will also be reported.

The meeting includes a delicious roast leg of lamb dinner at \$5.50 per person. For dinner reservations or more information contact the Wayne County Extension Office at 717-253-5970.

THIS IS THE BEST WAY TO PUT UP YOUR FORAGE CROP—HERE'S WHY:

1 Better light reflectivity. The light gray Madison Vibra-Cor® staves reflect light 2½ times better than dark blue—and better than any other stave. Result: Less temperature fluctuation in the structure.

2 Better insulation value. Concrete is a much better insulation material than steel! And the unique Vibra-Cor® design makes a Madison stave better than any other concrete stave. Result: Your Madison provides lowest possible temperature variations.

3 Less expansion and contraction. The real key to top quality haylage. Less heat transfer. Less "breathing." A better atmosphere for a perfect feed—no matter how much the weather fluctuates.

4 The best unloader. Laddig Madison helped develop it and knows it inside and out. So your new Nutri-Matic® was designed to make the most of this remarkable unloader that's been called "the best there is!"

5 Greater capacity. Because a Madison Nutri-Matic® doesn't require space-robbing breather bags, you get a bonus of extra capacity! Up to four feet of valuable extra room.

6 Better service. Ask a Madison owner. For 65 years, Madison service people have been building a reputation that can't be beat.

7 Lower maintenance. No breather bags to replace. A better unloader. The best silo construction in the world. No wonder Madison owners are happy with their lower maintenance costs.

TOUR IN LANCASTER COUNTY AREA

Join us for a hearty noon time dinner at the Holiday Inn East, Rt. 30. We meet at 9:30 A.M. for coffee & donuts. Please call 717-464-4662 or your local dealer for reservations.
