

Pork Congress speaker asks, "Can agriculture stand alone?"

DES MOINES, Ia. — Clayton Yeutter will present the opening address of the 1982 American Pork Congress in Indianapolis, March 9-12, sponsored by the National Pork Producers Council.

Yeutter has been president of the Chicago Mercantile Exchange since 1978. Prior to his ap-

pointment he served for several years in a series of high level positions in the federal government. As Assistant Secretary of Agriculture for Marketing and Consumer Services, he was in charge of an array of regulatory programs, including the Commodity Exchange Authority.

As Assistant Secretary of Agriculture for International Affairs and Commodity Programs, Yeutter was heavily involved in the dramatic growth of U.S. agricultural exports during the mid-1970's.

Yeutter will address the APC Opening Ceremony at 9 a.m., Wednesday, March 10. His ad-

dress, "Can Agriculture Stand Alone," takes a candid look at the future of agriculture in this country and the farmer's role in that future.

Registration for the 1982 American Pork Congress at Indianapolis is \$10. Educational seminars and the trade show will be held in the Indiana Convention Center. For more information call the National Pork Producers Council at 515/223-2600.

We're levelling with you!

Model T610 610 U.S. gallon (2310 litre) tank capacity

STANDARD FEATURES

- 5 year pro-rated tank warranty.
- 20% more capacity than the model T510.
- 610 U.S. gallon tank has centre baffle (patent pending) to minimize liquid impact on tank ends.
- Low profile heavy duty polyethylene tank allows better rear visibility and weight distribution.
- Gallonage scale on each end of tank.
- Valve adjusted full tank length sparge tube agitation ensures thorough mixing of chemicals.
- Nylon fittings throughout to allow the use of liquid fertilizers and most other farm chemicals.
- Fully equipped with chemical and weather resistant EPDM hose.
- 2 large 16" snap shut lids for easy access to tank.
- Large easy to clean suction filter.
- Adjustable sprayer hitch keeps sprayer level regardless of tractor drawbar variations
- Adjustable tongue jack.
- Adjustable tandem axle varies wheel track from 54" to 90" and has 2 position ground clearance settings of 22" and 28".
- Spraying pressure measured at the boom to eliminate inaccurate readings caused by pressure loss from control to boom.
