

Block names egg board members

WASHINGTON, D.C. — Sec. of Agriculture John R. Block has named nine members and seven alternates to the American Egg Board. Two other alternates will be named in the future.

The 18-member board administers the producer-sponsored national research and promotion program, designed to strengthen the egg industry's position in the marketplace. The program is funded entirely by a 5-cents per 30-dozen case assessment charged to all nonexempt commercial egg producers.

The research and promotion program is authorized by the Egg Research and Consumer Information Act, enacted in 1974. The U.S. Department of Agriculture's Agricultural Marketing Service reviews the program's budget, plans and projects to assure that it is operated according to law and in the public interest.

The new appointees will serve two-year terms ending Dec. 31,

1983. Members, followed by their alternates, are:

North Atlantic states: W. Robert Park, Valencia, Pa., member; Donald E. Horn, Ephrata, Pa., alternate.

South Atlantic states: George P. McCrane, Jr., Tifton, Ga., and Rivers Carl Scarborough, Lamar, S.C., members; Edward L. Houston, Lumber City, Ga., and Ray C. Jones, Gainesville, Ga., alternates.

East North Central states: Ernest E. Brown, South Forest, Ill., member; Warren B. Pennington, Wisconsin Dells, Wis., alternate.

West North Central states: Franklin J. Rich, Kalona, Iowa, member; Gilbert Eckhoff, Omaha, Neb., alternate.

South Central states: John Ashby, Clarksville, Tenn., and Richard K. Looper, Jackson, Miss., members; Ernest Mahard, Prosper, Texas, alternate. Looper's alternate will be named later.

WE HAVE THE EQUIPMENT TO DO THE JOB

WHITE WASHING with DAIRY WHITE

- DRIES WHITE
- DOES NOT RUB OFF EASILY
- NO WET FLOORS
- IS COMPATIBLE WITH DISINFECTANT AND FLY SPRAYS
- WASHES OFF WINDOWS & PIPELINES EASILY

ATTENTION!

If your barn gets wet inside over the winter months, now is the time to have your barn white washed. This way you will get alot more out of your DAIRY WHITE.

BARN CLEANING SERVICE AVAILABLE WITH COMPRESSED AIR

To have your barn cleaned with air it will clean off dust, cob webs & lots of the old lime. This will keep your barn looking cleaner & whiter longer.

FLY SPRAYING

Have your fly spray applied now. I have learned with past experience that to have your fly spray applied before you have flies will give you better control.

We will take work within 100 mile radius of Lancaster
