Progress is important, but a new tractor does not make your MAXI-POWER PTO generator obsolete because of a different speed of a PTO shaft. All MAXI-POWER PTO's have interchangeable gearboxes. Gearboxes are carried in stock and can be installed in minutes by our servicemen, and at a very low price.

Call us today for a generator to keep pace with your farm's growth. Whether PTO speed is 540 or 1000, MAXI-POWER is the only generator for you.

MAXI-POWER... a customer service oriented company.
