

Baltimore Farm Credit

(Continued from Page D6)

changes and challenges will be met in the same way as they have in the past—head on. And we expect this period of great change to be a period of great transition for us," he said. "It is a challenge we not only accept—it is one we look forward to."

The Farm Credit Banks of Baltimore serve the states of

Delaware, Pennsylvania, Maryland, Virginia, West Virginia, and the Commonwealth of Puerto Rico. These states and Puerto Rico comprise the Baltimore District of the nationwide Farm Credit System. The Baltimore Banks are the largest private agricultural lender in the District, with a combined loan volume of \$3 billion

Shorn wool up 4 percent

WASHINGTON, D.C. — Shorn wool production in the United States during 1981 was 110 million pounds, up 4 percent from 1980, according to the Crop Reporting Board. The 1981 total wool production of 111 million pounds included 1.15 million pounds of pulled wool.

Sheep and lambs shorn in 1981, at 13.5 million head, increased 2 percent from the previous year.

Average fleece weight of shorn wool was 8.14 pounds, up 0.19

pound from 1980.

Total value of shorn wool was \$104 million, up 12 percent from the \$92.8 million in 1980. The average price per pound was 94.5 cents in 1981, compared with 88.1 cents in 1980.
