

Pa. Guernsey takes national honors

By Janice Keene
The American Guernsey Cattle Club

ROANOKE, Va. — Pennsylvania was well represented in the winners circle recently here at the 105th annual meeting of the American Guernsey Cattle Club.

Taking home the national Tarbell Trophy for the highest 305-day, 2X Mature Equivalent butterfat record was John and Ginger

Myers of Littlestown, Adams Co. and Dr. Marvin Sanner of Virginia. Their entry, Sniders Prince Lilly, was recognized for her actual lactation of 27,000 pounds of milk and 1,377 pounds of butterfat in 365 days at five years and four months of age, and her mature equivalent record of 26,244 pounds of milk and 1,338 pounds of butterfat

During the award presentation AGCC Director of Performance

Jack Danhof commented that this three-time Excellent cow is well-known throughout the Guernsey breed. She is a three-time national class leader for production and was the top-selling cow in the United States at public auction in 1978. Her dam also is scored "Excellent" and has been a national class leader.

Carrying on the family tradition,
