

10,000 hogs put Farmix on trial.

After 3 years of feeding trials with 10,000 hogs, Farmix concentrate was proved superior on all counts: swine performance, carcass leanness, and cost of gain. Farmix from Master Mix Research produces pork at a lower feed cost because it's based on the Available Amino

Acid concept—a concept that goes beyond the simple measurement of protein levels used by most feed manufacturers. Come in. Ask us how this crumblized ration is ideal for all swine. When you weigh the evidence, you'll want to give Farmix a fair trial in your operations.
