## FINANCE CHARGE WAIVER OR A BONUS

Now through July, John Deere's making very special offers to buyers of new hay and forage equipment—above and beyond the very competitive deals we're making. These special John Deere offers provide either a waiver of finance charge or a sizable bonus in John Deere money.\*

If you choose to finance your new hay or forage tool purchase with John Deere, you can elect to take a waiver of finance charge to January 1, 1983.

Or—if you pay cash for your purchase, finance it with Deere (without waiver) or lease it from Deere, you'll be sent a John Deere money bonus of up to \$2,700. John Deere finance and

lease plans are subject to approved credit. You can use John Deere money for any of the goods or services we offer.

You must act promptly—the special offers at this level will be effective only through July.

## CHOOSE YOUR DEERE BONUS

During John Deere's post-emerge sale on Max-Emerge™ Planters, you can qualify for big savings above and beyond the good deal you'll get from us. And you have a choice of money-saving plans.

Take your pick of any of the planters listed here. Then if you choose to finance your new planter with Deere,\* you can elect to have finance charges waived until April 1, 1983. On top of that, you'll receive a John Deere money bonus ranging from \$500 to \$6,100 after we deliver your new planter.

But, if you prefer, you can pay cash for your new planter, or finance it with Deere (without waiver), or lease it from Deere,\* and you'll get anywhere from \$800 to \$9,300 in John Deere money after we deliver the planter.

But hurry, this offer at these levels is for a limited time only.

\*John Deere finance and lease plans are subject to approved credit.

\*This offer may be withdrawn at any time

Pure and Simple

## John Deere Compact Utility Diesel Tractors

John Deere Compact Utility Diesel Tractors are built to handle a number of jobs, with just a fraction of the fuel used by larger tractors. They're basic, simple tractors designed for easy upkeep, easy operation. Tractors that take a turn at mowing, loading, digging post holes, dredging ponds, plowing and planting . . . then come back for more.

There are six models to choose from - the 650, 750 and 1250 Tractors with 14.5, 18 and 40 PTO hp respectively, the 850 with 22 PTO hp, the 950 with 27 PTO hp and the 1050 with 33 PTO hp\*. All have 8-speed transmission . . . differential lock . . . color-coded controls . . . and more. The 3-point hitch handles Category 1 implements, and features load-and-depth control on the 1050. The 540-rpm PTO (continuous-running on the 1050) engages with a conveniently located lever.

The 1250 features mechanical front-wheel drive as standard. The 650, 750, 950 and 1050 can be equipped with mechanical front-wheel drive.

If you need a compact tractor that doesn't require a degree in advanced mechanics to service and operate, see us today. We have a compact utility tractor, plus the implements you need for your particular operation.

\* Maximum PTO hp at 2600 engine rpm for the 650 and 850. 2400 engine rpm for the 750, 950 and 1050, 2500 engine rpm for the 1250. All ratings by official test, except for the 650, 750 and 1250, which are factory observed
