

HESSTON®

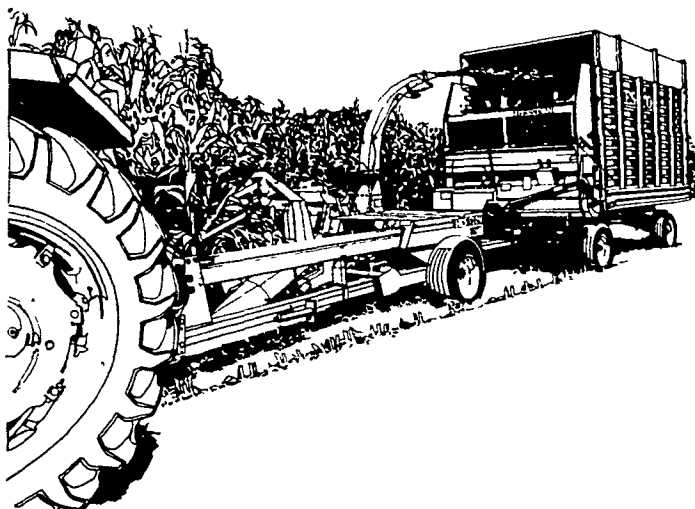

The "easy pullin" forage harvesters.

Hesston 7100 Series features scissor-action cutting for more forage from every drop of fuel!

Hesston's 6-knife cutting cylinder slices crop with scissor-action efficiency for smooth cutting and more forage harvesting capacity.

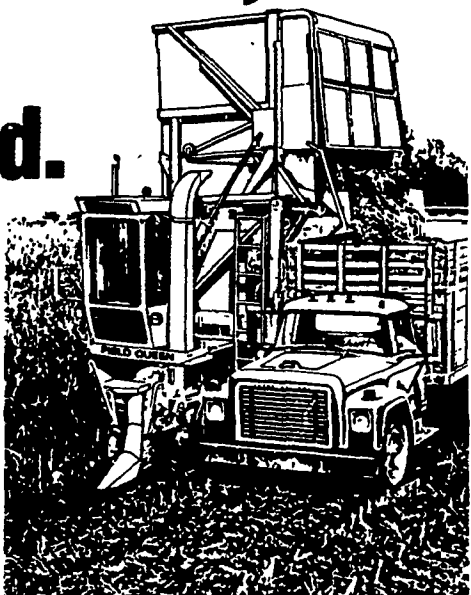

Simple straight-through crop flow puts more power into cutting the crop...because less is needed to move it through the harvester!

- **Top-of-the-line Model 7160** is built for high-capacity harvesting with tractors up to 225 hp.
- **Medium-duty Model 7150** has "big" harvester features and delivers optimum capacity with tractors up to 150 hp.
- **Rugged and reliable Model 7140** is ideal for the family farm. It delivers top performance with tractors up to 115 hp.

Self-contained, self-propelled.

Hesston/Field Queen 7655 Container Model ...a complete forage program in one machine!

This big weather-beater reduces labor, saves wear and tear on trucks, even makes night operation easier, safer.

Powered by a 257 hp Detroit diesel, it features a fully enclosed 660 cu. ft. hopper that eliminates wind loss.

If wet fields, this high-flotation SP can get in and out before some tractors!

Take Advantage Of One Of These Hesston Programs...

- ★ **JUNE 1, 1983 WAIVER!**
- ★ **LOW INTEREST FINANCING!**
