

Montgomery Co. slates 4-H fair

NORRISTOWN — Where can sheep, goats, rabbits, dairy cows and other animals be found with vegetables, flowers and clothing? Why, only at the Montgomery County 4-H Fair being held August 18 to August 21 on the grounds of the 4-H Center, Snyder Road, Lansdale.

County Agent Paul Reber states that 4-H members throughout the county will be exhibiting their projects for the public starting with the 4-H Dairy Show at 10:30 a.m. on Wednesday, August 18. See if you can pick the winning animals that will compete at the regional show later in the month.

Then come back to watch the 4-H Sheep club members at 6 p.m. on Thursday, August 19 show their animals to the judge. At 7 p.m. the horse ring will be very active with horse grooming and showmanship activities.

Be prepared that evening to move out of the way as 4-H'ers bring steers, goats, rabbits and cavies for their own shows during the next two days. At the same

time the main building will be filling up with crafts, food entries, vegetables, flowers, woodworking, rockets, models and other projects which can be seen by everyone on Friday, August 20 between the hours of 4 to 9 p.m.

However, if you enjoy watching meat on the hoof check out the 4-H Steer Show at 2 p.m. that day under the big tent. And do not forget the 4-H Dog Show at 7 p.m. or the Seeing Eye Puppy demonstration at 7:30 p.m. on that Friday.

Laugh at the large animal dress-up contest for 4-H members only at 8 p.m. and pick your favorite during the parade of club banners at 8:30 p.m.

Saturday, August 21 opens with the 4-H Goat Show at 9:30 a.m. and the 4-H Rabbit and Cavy Show at 10 a.m. If you have not viewed the projects in the building 1 p.m. to 8 p.m. is the time. Do not overlook the imagination of youth at 2 p.m. as they parade their special friend in the small pet contest. Prizes await the boys and girls who want

to participate in the Fun Olympics at 3:30 p.m. while model rockets are sent skyward, weather permitting, around 4:30 p.m.

A puppet show and horse costume contest at 7 p.m. conclude the 1982 4-H Fair. For all of these events, there is no admission charge. Food and beverages are available on the grounds. Special baked goods are being offered for sale on Friday and Saturday.

The 4-H club program is offered by the Cooperative Extension Service of Penn State University. For further information on this outstanding youth organization call 215-277-0574.

Holly Webb is Delaware's dairy princess

NEWARK, Del. - Holly Webb, 17, of Wyoming, is Delaware's 1982-83 dairy princess. Her crowning was one of the highlights of the recent Delaware State Fair.

Holly, daughter of Verona and Milbourne Webb Jr., lives on her parents dairy farm.

The new princess is a senior at Caesar Rodney High School, where she's a member of Future Farmers of America, the National Honor Society and the school band.

She also belongs to 4-H. She plans to study agriculture in college.

Alternate princess is 4-H member Rene Bryk, of Smyrna, the daughter of Fat and Stan Bryk.

The new princess will make personal appearances on behalf of the dairy industry throughout the year. She'll speak to school groups, service clubs and others about dairy production and the nutritional value of milk.

The satisfaction that comes from doing a good job of farming

Liming is one of the most important factors in keeping your soil in the highest productive range. By raising the pH from a level below 6.0 to 6.5 or higher, you can expect to harvest as much as 5 more bushels of corn per acre, with similar increases for all other forage and cash crops
