FARMERS...

SPECIAL FIELD DAY IN BERKS COUNTY

### (Oley Valley - see map below)

TUES. - AUG. 17, 1982 - 10 AM to 3 PM

"COME TEST DRIVE THE BIG ORANGE LINE."

"It's the Farmers' new choice of color in the valley!"

ALLIS-CHALMERS 6060/6080 TRACTORS...

ALLIS-CHALMERS 8030..132 PTO HP*

High torque and fuel economy that leaves the others behind.

Here's the best of both worlds in versatile tractor power By official test the 83 PTO hp* 6080 has the best fuel economy in its class and the best torque backup at 27%. The 65 PTO hp* 6060 has the best torque backup at 35% with excellent fuel economy, too

• Both are powered by an Allis-Chalmers 4-cylinder, direct-injection diesel engine Turbocharged in the 6060 turbocharged and intercooled in the 6080

• Both are available with mechanical front-wheel-drive for better traction better fuel economy less compaction

• Rugged rear mains with large planetary final drives and positive wet disc brakes

• Open-center hydraulics with 11 4-gal remote capacity

• Fully independent PTO

• Optional cab is tops in roominess and comfort

*Manufacturer's estimated maximum observed PTO horsepower at rated engine speed

All-around performance with uncompromising comfort.

The 8030 offers versatility from feedlot to field 132 PTO.* turbocharged to get more work per gallon Crossflow head design provides more, cooler intake air Plus

• New fuel-injection system improves starting, smoke control and performance

• Choose no-clutch, no-stop Power Shift transmission or 16 or 20-speed *Power Director*

• All-new cab features 38% more room, 36% more glass area with controls grouped and angled for easy operation

• Improved load-sensing hydraulics now feature pressure-compensated flow controls that permit adjustment of remote valves independently

• Optional mechanical front-wheel-drive provides more driving power on command

• Big multi-disc wet master clutch and extra-wide planetary final drives bear up under heavy loads

*Manufacturer's estimated maximum observed PTO horsepower at rated engine speed

Power Director is an Allis-Chalmers trademark
