

HESSTON

The **PRIME LINE**

Hesston's 6-knife cylinder with exclusive Flo-Vanes gives you more forage on less fuel!

Flo-Vanes increase capacity, save power!

7100 Series Pull-Type Forage Harvesters

All three Hesston models feature a precision 6-knife cutting cylinder that gives smooth, uniform cutting. Exclusive Hesston Flo-Vanes, standard on the two larger models, increase capacity even more.

- 6-knife cylinder slices with "scissor-action" for clean, smooth cutting...and more output from every drop of fuel!
- Exclusive Flo-Vanes (2 per knife) catch crop as it's cut and centrifugally throw it back to the blower. Field tests show that Flo-Vanes increase capacity by up to 20%*!

*Test run in corn (without screens) at 7/16" cut length

Take Advantage Of One Of These Hesston Programs...

★ **JUNE 1, 1983 WAIVER!**
