NU-PULSE MILKING SYSTEMS

JUNIPERDALE FARMS

Robert, Berton and Mark Fulmer

ROBERT & BERTON FULMER
Nazareth, PA

Juniperdale Farm is a family dairy operation. Robert's son Brian and Burton's son Mark are both very much involved in running their fine dairy operation.

The Fulmers milk about 70 cows. They put in NuPulse milkers in Jan. 1980. They run about 20,000 milk and 715 fat with their SCC down to about 150,000. Their SCC before changing was running 30,000 or more. Burton says this is the first milking machine that has really shown it would improve udder health and reduce stress and mastitis in their herd. We are very pleased with the way NuPulse works on our herd.

This registered Holstein herd has a BAA of just over 101. One of their top producers milked 135 lbs. a day in her 3rd month on test.

A New Large Base for Nu-Pulse Milkers

Nu-Pulse SUPER BOWL is the new larger bowl that will fit your existing Nu-Pulse Milker.

We're ready for you
